A fever is 100.4 degrees.

We are a Title I school! Our elementary school is considered a "school wide" program. This means every child receives additional support when needed!

Our high school is considered a "targeted" program. This means students who are struggling and meet the Title I guidelines for assistance to gain proficiency are prioritized and served.

**ATTENDANCE**

**Mask and Face-Shield Policy**

According to the guidelines set forth by the DOH and OSPI, all students 5 years old and older, staff, volunteers, and guests must wear face coverings in K-12 settings. If a cloth mask can not be worn, an alternative face shield may be worn instead. If the alternative cannot be worn, students will need to remain home and continue distance learning.

**On days your students ARE scheduled** to be on campus, students are TARDY at 9:25 am.

**On days your students are not scheduled** to be on campus, please remember teachers will be communicating how your child(ren) are to check in to be counted present. If your child(ren) do not follow the steps presented to be counted present, the teacher will call.
